E10 CHALLENGER 2 POST LIFT

- Versymmetric® 3-stage-front arms safely lift both symmetrically and asymmetrically within the same service bay maximizing service capabilities and revenue potential.
- Double Telescoping Screw Pads minimizes the need for truck adapters by meeting a wider range of OEM recommended pick up points.
- 11' 11-7/8" standard height allows lift to be placed in service bay with 12' ceiling.
- Single point mechanical lock release allows technician to disengage both columns simultaneously.
- Padded overhead shut off system prevents vehi damage from being raised too high.
- Premium powder coat finish provides long lastir durable finish.
- Rubber door guards provide added security against

MR6 Mid Rise Lift

- Challenger Lifts' Portable Mid-Rise Lift is a great way to increase the productivity in a shop. It's like having a service bay anywhere, indoors or out. The motor on these mid rise car lifts is conveniently mounted to a Heavy-Duty tow dolly, making it easy to move and operate on almost any solid surface.

**Sale Price
\$4799**

includes install

4P12EFX CHALLENGER 4 POST LIFT

- Challenger Lifts' 12,000 lb. capacity 4P12EFX and 4P12XFX economy four post lifts are loaded with features you would expect to pay more for, like louvered approach ramps, solid piece column construction, automatic wheel stops and the highest rise in the industry.

**Sale Price
\$4700**

includes install

E12 CHALLENGER 2 POST LIFT

- The 12,000 lb. capacity E12 two post car lift provides symmetric lifting capability, maximum room to work underneath vehicles and room to grow. Its adjustable height accommodates higher profile vehicles and provides ample headroom for day to day servicing.
- NEW to E12 is optional 2' column height truck lift extensions that accommodate even higher profile vehicles. Must order both E12 2 post vehicle lift and Part # E12EH2 for new lift purchases or E12EH2 (pop up of E12EH2 col ext.) for addition of 2' height extension to an existing E12 truck lift. Includes (2) height extensions, hose extension kit and new
